# VLCC Wellscience Pore Refine Toner

Key Ingredients	Properties
<b>Rose Water</b>	Soothes skin irritation, Reduces skin redness and Helps to prevent and treats infections.
<b>Aloe Vera Extract</b>	It offers cooling properties and act as an anti-inflammatory agent . Helps to moisturize the skin, Boosts healing of wounds & Fights skin-aging. Reduces infection, acne & Lightens blemishes on the face.
<b>Lemon Extract</b>	It helps to brighten up complexion, control oil production and fade dark spots .It also gives your skin a boost of vitamin C and antioxidant protection.
<b>Nutmeg Oil</b>	Nutmeg oil is antibacterial and antiseptic, it is recommended on dull, oily or wrinkled skin
<b>Lavender Oil</b>	Soothes skin, improves acne, protects against free radicals and combats bacterial and fungal disorders.
<b>Chamomile Oil</b>	It is a wonder ingredient to help soothe your complexion. Whether it's rosacea, irritation, acne or any other skin concerns, Chamomile Oil is a great natural remedy to calm your skin.

# VLCC Wellscience Pore Refine Toner

Key Ingredients	Properties
<b>Niacinamide</b>	It reduces inflammation, which may help ease redness from eczema, acne, and other inflammatory skin conditions. Minimizes pore appearance & Keeps skin smooth and moisturized.
<b>SAP (Sodium ascorbyl phosphate)</b>	It is a stable, water-soluble form of vitamin C that functions as an antioxidant and is potentially effective for brightening an uneven skin tone.
<b>Sodium PCA</b>	It is a naturally occurring component of human skin and a part of the "natural moisturizing factors" (NMF) that maintain a healthy epidermis.
<b>Natural Betaine</b>	It is a natural moisturizer that occurs in plants and animals as an osmolyte that protects cells from environmental stress and specifically against dehydration.
<b>Menthol Crystal</b>	It has a powerful cooling, refreshing ability & a cool minty aroma.
<b>Direction for Use</b> Apply toner on a cotton pad and sweep across the cleansed face and neck. Follow with a serum or face cream. For best results use daily. <b>MRP – Rs. 350/Fill Size – 250 ml</b>
