# Glutathione- The Master Antioxidant

- ✓ Most popularly known for Skin Whitening
- ✓ Considered to be one of the best ingredient for achieving fair skin.
- ✓ It is mean to show prominent effect on application.
- ✓ Do you know our body makes Glutathione?
  - Body produces in sufficient quantity that not only manages the production of Melanin (skin pigment) but also helps in other vital functions like detoxification, immune boosting, and healing properties.
  - As we start ageing and due to various other factors level of Glutathione declines in the body.

# How does Glutathione works for body?

- Interrupts melanin synthesis in the body.
- Melanin gives color to the skin. Preventing melanin from developing, Glutathione brings skin back to its fairest tone.
- It is often said that one's health is reflected in the condition of his or her skin, and that is notably true when it comes to this method of skin whitening.
- Glutathione as an antioxidant neutralizes and eliminates free radicals that damage the skin at the cellular level to cause aging and discoloration.

**MELANIN- Culprit for skin darkening**

**More Melanin Production-  
DARK SKIN**

**Less Melanin Production-  
LIGHT SKIN**

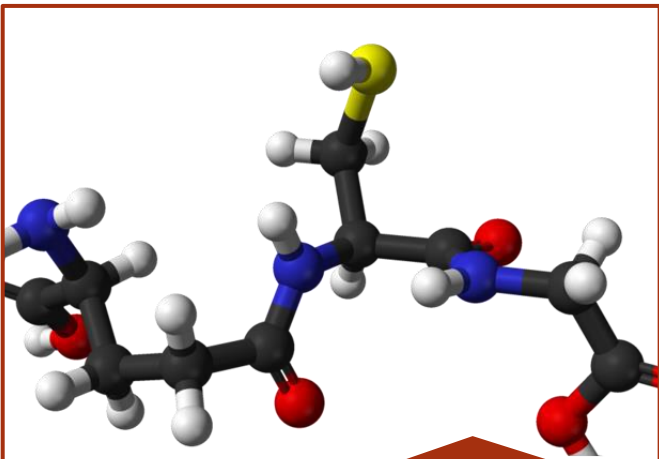

# Gluta Lite Face Wash

Gluta Lite Face Wash is enriched with Glutathione, Vitamin C, Vitamin E, Cedarwood Essential Oil, and Neroli Essential Oil like ingredients. It not only deeply cleanses the skin but also helps to prevent skin from UV rays damage, helps in regenerate and repair skin tissues, lighten hyper pigmentation. Thus helps in skin brightening.

- ▶ **Direction for use** – Apply a small amount on wet face. Massage with your fingertips in a circular motion. Concentrate on forehead, nose and chin. Rinse off with water and pat dry.
- ▶ **MRP** – Rs/- 400
- ▶ **Qty** – 100ml

Glutathione- It is a powerful antioxidant that reduces oxidative stress in the body and brightens the skin tone.

Cedarwood Essential Oil- It may reduce the appearance of scars, treat minor wounds & helpful for skin conditions like acne and eczema

Neroli Essential Oil -It has regenerative qualities, and it is also antiseptic, antibacterial & anti-inflammatory.

Vitamin C- It may help slow early skin aging, prevent sun damage, and improve the appearance of wrinkles, dark spots, and acne.

Vitamin E- It helps to nourish and protect your skin from damage caused by free radicals.

Arbutin- Great remedy for diminishing scars and preventing skin discoloration and hyperpigmentation
