- ▶ Dries the hands

# How to properly wash your hands?

Wet your hands  
and apply liquid  
handwash

Rub it on  
your hands and  
between your  
fingers

Make sure to rub  
it on the back of  
your hands too

Don't forget  
the back of your  
fingers and thumbs

Remember  
to clean your  
fingernails as well

Finish off by soaping  
your wrists before  
rinsing the liquid  
handwash off
